

Measure

We will measure, measure in the classroom.
We will measure, measure all day long.
What is long and what is short?
What is long and what is short?

What is long? What is long?
What is short? What is short?

We will measure, measure in the classroom.
We will measure, measure all day long.

We will measure, measure in the classroom.
We will measure, measure all day long.
What is big and what is small?
What is big and what is small?

What is big? What is big?
What is small? What is small?

We will measure, measure in the classroom.
We will measure, measure all day long.

We will measure, measure in the classroom.
We will measure, measure all day long.
What is bigger? What is smaller?
What is bigger? What is smaller?

What is bigger? What is bigger?
What is smaller? What is smaller?

We will measure, measure in the classroom.
We will measure, measure all day long.
