

Seeds

The seeds are in a packet,
The seeds are in a packet,
The seeds are in a packet,
I got them from the shop.

The seeds need to be planted,
The seeds need to be planted,
The seeds need to be planted,
In pots with lots of soil.

They all need heat and daylight,
They all need heat and daylight,
They all need heat and daylight,
So that the seeds grow strong.

The flowers all need water,
The flowers all need water,
The flowers all need water,
To grow so tall and strong.
