

The Seasons

Lambs are playing in the field, in the field, in the field.
Lambs are playing in the field, it is spring time.

Let's all go to the seaside, the seaside, the seaside.
Let's all go to the seaside, in the summer.

I see tree leaves falling down, falling down, falling down.
I see tree leaves falling down, it is autumn.

I see snow flakes falling down, falling down, falling down.
I see snow flakes falling down, it is winter.
