Caerphilly Celebration event
Monday 20th June - Blackwood Miners Institute**

In **Caerphilly**, the celebrations will include a **Primary Schools Festival** open to any schools in the county. Schools will perform to one another and all join together to sing songs from the CânSing website.

The event will be delivered as a partnership between **CânSing and Caerphilly Music Service** who regularly collaborate to ensure the children, young people and families have an opportunity to "find their voice".

Draft programme:

10:00 - Session 1

13:00 - Session 2

DETAILS FOR SCHOOLS:

- Age group: Years 5, 6 & 7 with the goal of supporting transition from primary to secondary education (for smaller primary schools we can accommodate years 3 & 4 as well if it is necessary to include the whole junior department)
- This is a FREE event but schools must provide their own transport.
- There is no requirement for schools to prepare for the concert, however, if your school would like to perform their favourite piece from the CânSing song-bank please let us know.
